Artists' Information

The MSC Artists' Showcase is sponsored annually by the Mississippi State Committee of the National Museum of Women in the Arts. Its purpose is to identify and support talented women artists in Mississippi and to reward their efforts. It is open to all women artists who are members of the MSC/NMWA.

Works must be original and have been created no earlier than 2016. Artists may submit no more than three pieces for consideration by the Curator for inclusion in the exhibit. Space is at a premium for this show. No work or group of works should exceed a total of 3' wide or 50 pounds in size. They should be submitted as JPG images either by email or on a CD to Pat Pinson at one of the addresses above. Include the title, artist's name, contact information, medium, brief artist statement, and price with each piece. **Deadline for entries is March 27.** If there are more pieces than the space can accommodate, the Mary C Curator will determine which works will be hung and how to hang the show.

Work(s) accepted for the showcase must be delivered between April 14 and 16. Pieces must hang through June 19 and should be picked up between June 19 and 26. You must be a paid MSC member in order to participate in the Showcase. An Entry Form should be attached to each piece.

The Mary C takes a 30 percent commission on pieces that sell during the show, so it's a good idea to price your work accordingly.
